The very first time that I saw your brown eyes
Your lips said 'Hello'(Hello)
And I said 'Hi'
I knew right then you were the one
But I was caught up (caught up) in physical attraction
But to my satisfaction
Baby you were more than just a phase

Chorus

And if I ever (ever fall)
In love (again) again
I will be sure that the lady is a friend
And if I ever (ever fall)
In love (so true) so true
I will be sure that the lady's just like you

Oooohhhh, Yeaahh yeah
The very next time she'll be my friend

If I say that I could be your one and only
(Promise, promise, promise) Promise that you'll never
leave me
lonely
I just wanna be the one you need
Oh baby
I just wanna be the one to serve you
Sometimes I feel as if I don't deserve you
I cherish every moment that we share

Chorus

And if I ever (ever fall)

In love (again) again
I will be sure that the lady is a friend
And if I ever (ever fall)
In love (so true) so true
I will be sure that the lady's just like you

[My friend]

(Very next time she will be my friend, someone I can
believe in)
I need someone who who will be my friend

[My friend]
(Very next time she will be my friend, someone I can
believe in)
To be with me through thick and thin
[My friend]
(Very next time she will be my friend, someone I can
believe in)
Please share my love with me my friend
[My friend]
(Very next time she will be my friend)
I need someone like you

Chorus
And if I ever (ever fall)
In love (again) again
I will be sure that the lady is a friend
And if I ever (ever fall)
In love (so true) so true
I will be sure that the lady's just like you
