Beautiful Woman

Uh yess
La da da da da da
La da da da da da
Ahh

You can find them on the cover of a magazine
The finest woman you'll ever see
It would be my fantasy
To have them all surrounding me
All of their life, it seems
They wanted things that they can only get from me
The best thing about it all
Is I can have it if
I only keep dreaming

From the shores of Milan
To the streets of Miami
(Beautiful women)
From the beauty salons
To the beaches in Maui
(Beautiful women)

From the coffee shop
To the restuarants
Can you hear me? (yes)
Every place, every town
If you just look around
You'll find beautiful women

1 - Black, Puerto Rican
Haitian, Dominican
Beautiful women
Indian, Cuban, Jamaican
All of the nations
Beautiful women

Eastcoast, westcoast
City to the meadow
'Burbs to the ghetto
Beautiful women

From Cairo, to Rio, to Montigo
Beautiful women, yeah

You know there's no way I could ever be
Without their sensualities
And everytime I think that I break free
It's like they always find me
Everywhere I go, it's like a video
You know exactly what I mean
If there could only be 3 more of me
Then I could keep all these beautiful women

There they go
Doin' what they do to
Make a man go crazy
But it just ain't fair
Cuz they've got us in a daze
What makes me so amazed
Is that they know it
Cuz they're beautiful
Woo, woo, woo, ooh

Ooh ooh, ooh yeah
Ooh ooh
Yeah
Oh

Repeat 1
Repeat 1

From the shores of Milan
To the streets of Miami
From the beauty salons
To the beaches of Maui
From the coffee shop
To the Restuarants
Can you hear me?
Every place, every town
Beautiful women

Repeat 1 to fade
