La da da da da da  
La da da da da da  
Ahh

You can put them on the cover of a magazine  
The finest woman you'll ever see  
It would be my fantasy  
To have them all surrounding me  
All of them in love, it seems  
Their wanting things that they can only get from me  
The best thing about it all  
Is I can have them if  
I only keep dreaming

From the shores of Milan  
To the streets of Miami  
(Beautiful women)  
From the beauty salons  
To the beaches in Maui  
(Beautiful women)

From the coffee shop  
To the restaurants  
Can you hear me? (yes)  
Every place, every town  
If you just look around  
You'll find beautiful women

[1] - Black, Puerto Rican  
Haitian, Dominican  
Beautiful women  
Indian, Cuban, Jamaican  
All of the nations  
Beautiful women

East coast, west coast city to the meadow  
Burbs to the ghetto  
Beautiful women  
From Cairo, to Rio, to Montego  
Beautiful women, yeah

You know there's no way I could ever be  
Without their sensualities  
And every time I think that I break free  
It's like they always grab me  
Everywhere I go, it's like a video  
You know exactly what I mean  
If there could only be 3 more of me  
Then I could keep all these beautiful women

There they go  
Doin' what they do to  
Make a man go crazy  
But it just ain't fair  
Cuz they got us in a daze  
What makes me so amazed  
Is that they know it  
Cuz they're beautiful  
Woo, woo, woo, ooh

Ooh ooh, ooh yeah  
Ooh ooh  
Yeah  
Oh

[Repeat 1]  
[Repeat 1]

From the shores of Milan  
To the streets of Miami  
From the beauty salons  
To the beaches in Maui  
From the coffee shop  
To the restaurants  
Can you hear me?  
Every place, every town  
Beautiful women

[Repeat 1 to fade]
