Since you've been gone I've been lonely  
Longing to be with you only  
Maybe there's still is a way I could find you and say..  
just how I feel  
I can't believe that it's over  
Wished somehow I could have showed her  
All that was inside my heart 'stead of playing the  
games  
You might have stayed..

(Funny just the other night).. I was thinking  
(I wondered if you ever think).. about me  
(I call you on the phone).. there's no answer

Oh well.. There's still tomorrow  
Oh well.. I'll try again  
Oh well.. Maybe just maybe..

Since you've been gone I've been lonely  
Longing to be with you only  
If there's a way I could beg you to stay  
Would you please.. Stay with me?

(I was thinking maybe I).. could come over  
(Hoping that we could finally).. work this out  
(Even if tonight) ..we don't dont find an answer

Oh well... There's still tomorrow  
Oh well.. I'll try again  
Oh well.. Maybe just maybe..

(Oooh..)

If I had another chance  
We would stand hand in hand  
You'd be my girl  
I'd be ur man  
Oh well.. maybe just maybe we can

I still call you on the fone.. still no answer..  
Maybe later on I'll try.. one more time or

Am I just a fool? To keep trying..

Oh well.. There's still tomorrow

Oh well.. A fool's what I am

Oh well.. Maybe just maybe..

Oh still there's still tomorrow

Ohhh welll

Maybe just maybe..

See if I bend on my knees and give you all of me

Oh well there's still tomorrow

Oh well I'll try again

Oh well.. please.. just maybe

Since you've been gone.. I've been lonely..
