Close the door
Let me give you what you've been waiting for
Girl, I've got so much love to give
I wanna give it all to you

Close the door
No need to worry no more
Let's bring this day to a pleasant end
Girl, it's me and you now

I've waited all day long
Just to hold you in my arms
And it's exactly like I thought it would be
Me lovin' you and you lovin' me

Close the door
Let me rub your back where you say it's sore
Come on get closer and closer, so close to me
Let's get lost in each other

Come on, baby
Sex baby
Think I wanna sex you baby
Sex baby

Think I wanna sex you baby

I've waited all day long
Just to hold you in my arms
And it's exactly like I thought it would be
Me lovin' you and you lovin' me

Close the door, baby
And let me blow your mind
Plenty good lovin' all through the night
And then again and then again till the morning comes

Ooh, come back, girl

Come here, baby
Let me blow your mind
Let me do what I want do to you

Let me do what I want do to you
Darling, won't you let me make sweet love to you, baby,
uh

Baby, it's so good
So good, so good, so good baby, uh
