I was lonely
I needed someone to see me through
I was at the end of my rope
I needed someone to cut me loose

And then an angel out of the blue
Gave me the sense that i might make it through
And somehow I survived with no rhyme or reason
And now I know Ill make it through the miracle of you

I know the color of love
And it lives inside of you
I know the color of truth
Its in the image of you
If it comes from the heart
Then you know that its true
It will color your soul like a rainbow (Like a
rainbow)
And the color of love is in you

Colors, the colors, the colors, the colors of
Colors, the colors, the colors, the colors of
Colors, the colors, the colors, the colors of
Love, love, love

Like a bridge
Over troubled, troubled water
You stood beside me, stood beside me
And your love did not falter

And then the angel, the angel in you
Gave me the strength to know that I will get through
And thats how I survived, aint no other reason
And now I know Ill make it through the miracle of you

I know the color of love
And it lives inside of you
I know the color of truth
Its in the image of you
If it comes from the heart
Then you know that its true

It will color your soul like a rainbow (Like a
rainbow)

And the color of love is in you (Is in you)

Colors, the colors, the colors, the colors of
Colors, the colors, the colors, the colors of (Its
the colors)

Colors, the colors, the colors, the colors of
(Oh...oh...oh...oh...oh...oh...)

Love, love, love

So girl, I wanna thank you
I cant thank you enough
For showing me the meaning
The meaning of true love

When i was lost and so in need
Yo
