"Could It Be I'm Falling In Love"

Since I met you I've begun to feel so strange
Every time I speak your name, that's funny
You say that you are so helpless too
That you don't know what to do

Each night I pray there will never come a day
When you up and take your love away
Say you feel the same way too
And I wonder what it is I feel for you

Could it be I'm falling in love?
(With you baby)
Could it be I'm falling in love?
(Ooh)
Could it be I'm falling in love?
With you, with you, with you, with you

I don't need all those things that used to bring me joy
Well you made me such a happy boy
And honey you'll always be the only one for me
Meeting you was my destiny

You can be sure I will never let you down
When you need me I will be around
And darling you'll always be the only one for me
Heaven made you specially

Could it be I'm falling in love?
(With you baby)
Could it be I'm falling in love?
(Ooh)
Could it be I'm falling in love?
With you, with you, with you, with you

And darling you'll always be the only one for me
Heaven made you specially

Could it be I'm falling in love?
(With you baby)
Could it be I'm falling in love?

(I wanna know now baby)
Could it be I'm falling in love?
With you, with you, with you, with you

Could it be I'm falling in love?
Could it be I'm falling in love?
Could it be I'm falling in love?
