Dear God, it's me again
I am so far from where I could have been
Dear God, I would be incomplete
But you came and touched my life in time of need
So I'm thanking you for all you've done
And for sacrificing your only Son

That's why I'm writing you this letter
To let you know that I love you
Thank you for all that I am
And for being a friend
Lord, my love for you'll never end

Dear God, it's shown this time
I'm so grateful for the way you've changed my life
I'd give all I have, I'd just throw it all away
For a chance to walk with you through Heaven's gates
That's why I'm thanking you for your love and your
grace
I don't deserve these blessings, no, no that you give to
me

That's why I'm writing you this letter
To let you know that I love you

Thank you for all that I am
And for being a friend
Lord, my love for you'll never end

Dear God, as a humble man I come to you like a child
Needing your knowledge your love and your guidance
Lord
Thank you for trusting me with my own life's decisions
But I'm just a man and I don't deserve this incredible
life
That you've given me Jesus I love you Lord, I love you

Dear God, it's me Wanya
I'm so sorry, so sorry for living for me
But I promise from this day on I'm livin' for you
'Cause without you my life means nothing

That's why I'm writing you this letter
To let you know that I love you
Thank you for all that I am
And for being a friend
Lord, my love for you'll never end

That's why I'm writing you this letter
To let you know that I love you
Thank you for all that I am
And for being a friend
Lord, my love for you'll never end
