Do they know

Do they know that Jesus was born on this day to save
our lives?

Do they know that he carried the sins of the world upon
his heart?

So that you and I could live and we'd have an
alternative in this life

Do they know what this day means?

Do they know where we've been and how it should be?

Tell me do they know?

Do they know we should love one another?

Do they know?

The world will be alright only if they know

Do they know that sharing love with each other is how
we all should live?

Do they know that the reason for giving is more than
what you give?

And to you and your's this day on a very special holiday
give your love

Do they know what this day means?

Do they know where we've been and how it should be?

Tell me do they know?

Do they know we should love one another?

Do they know?

The world will be alright only if they know?

And Lord if they know

Keep them in your care

Keep them inside your heart

And help them spread the word

Do they know what this day means?

Do they know where we've been and how it should be?

Tell me do they know?

Do they know we should love one another? yeah, yeah

Do they know?
The world will be alright only if they know?

Do they know what this day means?
Do they know where we've been and how it should be?
Tell me do they know?

Do they know we should love one another?
Do they know?
The world will be alright only if they know?

Do they know what this day means? oh yeah
Do they know where we've been and how it should be?
Jesus
Do they know we should love one another ?
On this very special day
