Darling I, I can't explain where did we lose our way, girl
It's driving me insane and I know I just need one more
chance

To prove my love to you and if you come back to me
I'll guarantee that I'll never let you go

Can we go back to the days, our love was strong?
Can you tell me how a perfect love goes wrong?
Can somebody tell me how to get things back
The way they used to be? Oh God
Give me the reason, I'm down on bended knee

I'll never walk again until you come back to me
I'm down on bended knee

So many nights I dream of you, holding my pillow tight
I know that I don't need to be alone, when I open up my
eyes

To face reality, every moment without you, it seems
like eternity
I'm begging you, begging you come back to me

Can we go back to the days, our love was strong?
Can you tell me how a perfect love goes wrong?
Can somebody tell me how to get things back
The way they used to be? Oh God
Give me the reason, I'm down on bended knee

Baby, I'm sorry, please forgive me for
All the wrong I've done, please come back home girl
I know you put all your trust in me
I'm sorry I let you down, please forgive me

I'm gonna swallow my pride, say I'm sorry
Stop pointing fingers, the blame is on me
I want a new life and I want it with you
If you feel the same, don't ever let it go

You gotta believe in the spirit of love
It will heal all things, won't hurt any more
No I don't believe our love's terminal
I'm down on my knees, begging you please, come

home

Can we go back to the days, our love was strong?
Can you tell me how a perfect love goes wrong?
Can somebody tell me how to get things back
The way they used to be? Oh God
Give me the reason, I'm down on bended knee

Can we go back to the days, our love was strong?
Can you tell me how a perfect love goes wrong?
Can somebody tell me how to get things back
The way they used to be? Oh God
Give me the reason, I'm down on bended knee

I'll never walk again until you come back to me
I'm down on bended knee

Wanna build a new life, just you and me
Gonna make you my wife, raise a family

I'll never walk again until you come back to me
I'm down on bended knee
