By Shawn Stockman

Verse 1:

Any minute now you'll be walking out your door  
With that vibe I've never seen before  
Every part of your existence fill with originality  
And elegance but,  
I can feel you, loser in this game of love  
The key to your heart belongs to another  
Though I know we can't be, I pray for you  
Cause I know there is no other for me

Chorus:

I'm going crazy,  
Head over heals in a love I can't get out of even if I  
tried  
I'm going crazy,  
Thought I could get away but i can't deny that I'm in  
love  
I'm going crazy,  
Head over heals in a love I can't get out of even if I  
tried  
I'm going crazy,  
Thought I could get away but i can't deny

Verse 2:

I admire your face and your ways from a far  
Want to know more about who you are  
Wishing time and again that I was your friend

I'd show you I could be a star  
Hurt me everytime I felt sorrow in your eyes  
Cause I know for sure that it was from him  
Makes me wonder why you stick around  
While your heart gets beat down on the ground

Chorus

Verse 3:

Love  
Thought I got away from you  
In the nick of time

So I find that I can't get you out of my mind  
Can't get you out of my mind  
And I need you to sleep baby  
No one can beat baby  
I'm gong crazy

Chorus
