Hey, wassup
This is Michael
Just called to see what you got goin' on this weekend
You know, ever since I met you
I can't seem to let you go
(Praise praise praise)
Make sure you call me back, okay
(Praise praise praise)

Ever since the day that we first met
(Praise praise praise praise)
Everything you do just seems to pique my interest
(Praise)
Girl, you know you pierce right through my soul
(Praise praise praise)
Make me wanna tell you things nobody knows
(Praise praise praise)
So here I am with heart in hand
(Praise praise praise praise)
Girl, I've been having visions of both you and I in
distant lands
(Wouldn't you?)
Wouldn't you like to take a trip with me?
Heaven knows just where this thing could lead
(Praise praise praise)
(Praise)
So howz about it?

Howz about it?
We can just go away
(We can just go)
Howz about it?
(We can leave today, no need)
No need to pack, I'll handle everything
(We can take my jet)
Take my private jet and we can fly away
(Fly away, we can fly)
(Fly away upway in the sun)
(Praise praise)

See maybe you think it's a bit too soon
(Praise praise praise praise)

I realize it's only been a week or two
But feels like I've known you all of my life
(Praise)
Yea, haa
(Praise praise praise)
And I wouldn't be surprised
If one day you are my wife
(Praise)

Howz about it?
(Howz about it?)
We can just go away
(Praise)
(Go)
Howz about it?
We can leave today
(We can leave today)
No need to pack, I'll handle everything
(Take my jet)
Take a private jet and we can fly away
(Fly away)

Don't even give it too much thought
(I don't have to give too much)
Just listen to your heart
(Eee eee eee eee ohh ohh)
We can go anywhere you wanna go
(All you gotta do is)
All you gotta do is
(All you gotta do is)
Let me know
(Let me know ohh ooo ooo ooo)

(Howz about it?)
Howz about it?
We can just go away
(Go away)
Howz about it?
(Ooh)
We can leave today
(There ain't no need to pack)
No need to pack, I'll handle everything
(Everything)
Take a private jet and we can fly away
(Ooh, howz about it?)

Howz about it?
(Howz about it?)
We can just go away
(Go away)
Howz about it?

(Ooh ooo ooo ooo)
We can leave today
(Don't)
(Today)
No need to pack, I'll handle everything
Take my private jet and we can fly away
(Ohh ooo ooo ooo)

Howz about it?
We can just go away
(Praise praise praise praise)
Howz about it?
We can leave today
(Praise praise)
No need to pack, I'll handle everything
Take a private jet and we can fly away
(Praise praise praise)

Howz about it?
We can just go away
(Praise praise praise praise)
Howz about it?
We can leave today
(Praise praise)
No need to pack, I'll handle everything
Take a private jet and we can fly away
