(feat. Claudette Ortiz)

[1st verse]

Looking out
Across the night-time
The city winks a sleepless eye
Hear her voice
Shake my window
Sweet seducing sighs

[2nd verse]

Get me out
Into the night-time
Four walls won't hold me tonight
If this town
Is just an apple
Then let me take a bite

[Chorus]

If they say
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say
Why, why, just tell 'em that is human nature
Why, why, does he do me that way

[3rd verse]

Reaching out
To touch a stranger
Electric eyes are ev'rywhere
See that girl
She knows I'm watching

She likes the way I stare

[Chorus]

If they say
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say
Why, why, just tell 'em that is human nature
Why, why, does he do me that way

I like livin' this way
I like lovin' this way

[4th verse]

Looking out
Across the morning
The city's heart begins to beat
Reaching out
I touch her shoulder
I'm dreaming of the street

[Chorus]

If they say
Why, why, tell 'em that is human nature
Why, why, does he do me that way
If they say
Why, why, tell 'em that is human nature
Why, why, does he do me that way

[repeat chorus]
