I know I make mistakes
I am what I am
I'm only a man
So don't take my joy away
Don't turn your back on me
I know this was my fault but
How much should it cost
To make things right, do I have to pay for life
We all fall short sometimes
And I'm guilty of that crime
But I just wanna make you see
That you can still believe in me

CHORUS:

I know I make mistakes
I am what I am
I'm only a man
So don't take my joy away
Don't turn your back on me

2ND VERSE:

Speak to me let me know how you feel
If you feel like you can hold on and be strong
I will never leave you lonely
I cry sometimes 'cause I make you cry
And that ain't right
I won't make the same mistake twice
Baby please forgive me
I know I make mistakes
I am what I am
I'm only a man
So don't take my joy away
Don't turn your back on me
I know I make mistakes
I am what I am
I'm only a man
So don't take my joy away
Don't turn your back on me BRIDGE: no I can't erase the
wrong I've done
But I hope you can give me another chance
'cause if you were me you would want the same

And I'd give you that chance to you
I know I make mistakes
I am what I am
I'm only a man
So don't take my joy away
Don't turn your back on me
I know I make mistakes
I am what I am
I'm only a man
So don't take my joy away
Don't turn your back on me
I'm only human
Of flesh and blood
Ahmen
I'm only human
And I gonna make mistakes
I know I make mistakes
I am what I am
I'm only a man
So don't take my joy away
Don't turn your back on me
I know I make mistakes
I am what I am
I'm only a man
So don't take my joy away
Don't turn your back on me
I know I make mistakes
I am what I am
I'm only a man
