I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

If I can see it, then I can do it
If I just believe it, there's nothing to it

I believe I can fly, I believe I can touch the sky
I think about it every night and day, spread my wings
and fly away
I believe I can soar, I see me running through that open
door
I believe I can fly, I believe I can fly, I believe I can fly

See, I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me, oh

If I can see it, then I can be it
If I just believe it, there's nothing to it

I believe I can fly, I believe I can touch the sky
I think about it every night and day, spread my wings
and fly away
I believe I can soar, I see me running through that open
door
I believe I can fly, I believe I can fly, oh I believe I can fly
Hey, cos I believe in me, oh

If I can see it, then I can do it
If I just believe it, there's nothing to it

I believe I can fly, I believe I can touch the sky
I think about it every night and day, spread my wings
and fly away
I believe I can soar, I see me running through that open
door
I believe I can fly, I believe I can fly, I believe I can fly
Hey, if I just spread my wings
I can fly, I can fly, I can fly, hey

If I just spread my wings
I can fly
Fly, fly, fly
