They read you Cinderella
You hoped it would come true
That one day your prince charming
Would come rescue you
You like romantic movies
And you never will forget
The way it felt when Romeo kissed Juliet

And all this time that you've been waiting
You don't have to wait no more

(Chorus)

I can love you like that
I would make you my world
Move heaven and earth if you were my girl
I will give you my heart
Be all that you need
Show you you're everything
That's precious to me
If you give me a chance
I can love you like that

I'd love you like that
I could love you like that

I never make a promise
I don't intend to keep
So when I say forever,
Forever's what I mean
Well, I'm no Casanova but
I swear this much is true
I'll be holding nothing back
When it comes to you

You dream of love that's everlasting
Well, baby open up your eyes

I can love you like that
I would make you my world
Move heaven and earth if you were my girl
I will give you my heart

Be all that you need
Show you you're everything
That's precious to me
If you give me a chance
I can love you like that

If you want tenderness, I've got tenderness
And I see thru to the heart of you
If you want a man, who will understand
You don't have to look very far

I can love you, I can love you, love you

I can love you like that
I would make you my world
Move heaven and earth if you were my girl
I will give you my heart
Be all that you need
Show you you're everything
That's precious to me
If you give me a chance
I can love you like that
