Yahoooooooooooo

They read cinderella

You hoped it would come true

That one day your prince charming

Would come rescue you

You like romantic movies

And you never will forget

The way you felt when romeo kissed juilet

And all this time that you've been waiting

You don't have to wait no more...

Chorus:

I can love you like that

I would make you my world

Move heaven and earth

If you were my girl

I would give you my heart

Be all that you need show you you're everything that's
precious to me

If you give me a chance

I can love you like that (I can love you like that x2)

I never make a promise I don't intend to keep

So when I say forever, forever is what I mean

Well I ain't no casanova but I swear this much is true

I'll be holding nothing back when it comes to you

You dream of love that is ever lasting

Ohhhhhoooo

Well baby open up your eyes

Chorus:

I can love you like that

I would make you my world

Move heaven and all

If you were my girl

I would give you my heart

Be all that you need

Show you you're everything that's precious to me

If you give me a chance

I can love you like that (I can love you like that)

If you want tenderness (tenderness, tenderness)

I got tenderness(tenderness)

And I see through to the heart of you

If you want a man who will understand

You don't have to look very far

I can love you

Girl..i can love you

I can love you like that

I would make you my world

Move heaven and earth

If you were my girl
I would give you my heart
Be all that you need
Show you you're everything that's precious to me
I can love you like that
I would mak you my world
Move heaven and earth
If you were my girl
I would give you my heart
Show you you're everything (oh you're everything)
Love you like that
Make you my world
Heaven and all
If you were my girl
I would give you my heart
Ohhhoooo
