Uuhhhhhhhhuuuuuuhhhhhhhhhh yeeaaah yeeaaah yeah

[Verse One - Nate]

I'm telling the world
Here and now
That I'm gonna love you and love you
I take this vow yeeaaah
You captured my heart
So long ago
Still there are some critical things
That you should know

Yeeaaah yeaah yeah

[Chorus]

Do I give all I am
To be now and forever you man
Do I take you to be
Without question the woman for me
Do I promise you
I Do
Do I promise you
I do, I do

[Verse Two - Shawn]

This love has been worth waiting for
Cause love doesn't matter to me..hiieeee
If it's not yours
As we become one
Through and through uuohhh
I dedicate all my life
To loving you...ouuhh

[Bridge - Wanya]
To have and to hold
While passions unfold
I promise a life you won't regret
For better or worse
No one can reverse the way that I've felt since we met
You ain't seen nothing yet

Do do I give all I am (all I am)
To be now and forever your man (now and forever)
