I swear  
By the moon and the stars in the skies  
And I swear  
Like the shadow that's by your side

(Verse 1)

I see the questions in your eyes  
I know what's weighing on your mind  
You can be sure I know my part  
Cuz I stand beside you through the years  
You'll only cry those happy tears  
And though I make mistakes  
I'll never break your heart

(Chorus)

And I swear  
By the moon and the stars in the skies  
I'll be there  
I swear like the shadow that's by your side  
I'll be there  
For better or worse 'till death do us part  
I'll love you with every beat of my heart  
And I swear (oOoH)

(Verse 2)

I'll give you every thing I can  
I'll build your dreams with these two hands  
We'll hang some memories on the walls  
And when (and when)  
Just the two of us are there  
You won't have to ask if I still care  
Cuz as the time turns the page, my love won't age at all

(Chorus)

And I swear ( I swear)  
By the moon and the stars in the skies  
I'll be there (I'll be there)  
I swear (And I swear) like the shadow that's by your  
side  
I'll be there (I'll be there)  
For better or worse

'Till death do us part  
I'll love you with every beat of my heart  
And I swear (OoH yea)

(sax solo)

I swear (I swear)  
By the moon and the stars in the sky  
I'll be there (I'll be there)  
(I swear)  
Like the shadow that's by your side  
I'll be there (OoH I'll be there)  
For better or worse (better or worse) 'till death do us  
part (OoH no)  
I'll love you with every beat of my heart (every single  
beat of my heart)  
I swear (i swear OoH III... swear)
