The very first time that I saw your brown eyes
Your lips said hello
(Hello)
And I said hi
I knew right then you were the one

But I was caught up in physical attraction
But to my satisfaction
Baby, you were more than just a face

And if I ever
(Ever fall)
In love
(Again)
Again
I will be sure
That the lady is a friend

And if I ever
(Ever fall)
In love
(So true)
So true
I will be sure
That the lady's just like you

Ooh, yeah yeah
I swear the very next time
She'll be my friend

If I say that I could be your one and only
Promise that you'll never leave me lonely
I just wanna be the one you need

Oh baby, I just wanna be the one to serve you
Sometimes I feel as if I don't deserve you
I cherish every moment that we share

And if I ever
(Ever fall)
In love
(Again)

Again
I will be sure
That the lady is a friend

And if I ever
(Ever fall)
In love
(So true)
So true
I will be sure
That the lady's just like you

(My friend)
(Very next time she will be my friend, someone I can
believe in)
I need someone who, who will be my friend
(My friend)
(Very next time she will be my friend, someone I can
believe in)
To be with me through thick and thin

(My friend)
(Very next time she will be my friend, someone I can
believe in)
Please, share my love with me my friend
(My friend)
(Very next time she will be my friend)
I need someone like you

And if I ever
(Ever fall)
In love
(Again)
Again
I will be sure
That the lady is a friend

And if I ever
(Ever fall)
In love
(So true)
So true
I will be sure
That the lady's just like you
