Close your eyes, make a wish
And blow out the candlelight
For tonight is just your night
We're gonna celebrate all through the night

Pour the wine, light the fire
Girl, your wish is my command
I submit to your demands
I will do anything, girl, you need only ask

I'll make love to you like you want me to
And I'll hold you tight, baby, all through the night
I'll make love to you when you want me to
And I will not let go till you tell me to

Girl, relax, let's go slow, I ain't got nowhere to go
I'm just gonna concentrate on you
Girl, are you ready?
It's gonna be a long night

Throw your clothes on the floor
I'm gonna take my clothes off too
I made plans to be with you
Girl, whatever you ask me, you know I will do

I'll make love to you like you want me to
And I'll hold you tight, baby, all through the night
I'll make love to you when you want me to
And I will not let go till you tell me to

Baby, tonight is your night and I will do you right
Just make a wish on your night
Anything that you ask
I will give you the love of your life, your life, your life

I'll make love to you like you want me to
(I'll make love)
And I'll hold you tight, baby, all through the night
(Hold you tight)

I'll make love to you when you want me to

(I'll make love)
And I will not let go till you tell me to

I'll make love to you like you want me to
(I'll make love)
And I'll hold you tight, baby, all through the night
(Hold you tight)

I'll make love to you when you want me to
(I'll make love)
And I will not let go till you tell me to
