Close your eyes, make a wish
And blow out the candlelight
For tonight is just your night
We're gonna celebrate all thru the night
Pour the wine, light the fire
Girl your wish is my command
I submit to your demands
I will do anything, girl you need only ask

Chorus:

I'll make love to you
Like you want me to
And I'll hold you tight
Baby all through the night
I'll make love to you
When you want me to
And I will not let go
'Till you tell me to

Girl relax, let's go slow
I ain't got nowhere to go
I'm just gonna concentrate on you
Girl are you ready, it's gonna be a long night
Throw your clothes on the floor
I'm gonna take my clothes off too
I made plans to be with you
Girl whatever you ask me, you know, I will do

Chorus:

I'll make love to you
Like you want me to
And I'll hold you tight
Baby all through the night
I'll make love to you
When you want me to
And I will not let go
'Till you tell me to

Baby tonight is your night
And I will do you right
Just make a wish on your night
Anything that you ask

I will give you the love of your life

Chorus:

I'll make love to you (I'll make)
Like you want me to (love)
And I'll hold you tight (hold you tight)
Baby all through the night
I'll make love to you (I'll Make)
When you want me to (love)
And I will not let go
'Till you tell me to

I'll make love to you (I'll make)
Like you want me to (love)
And I'll hold you tight (hold you tight)
Baby all through the night
I'll make love to you (I'll Make)
When you want me to (love)
And I will not let go
'Till you tell me to
