In the still of the night
I held you, held you tight
Oh how I love, love you so
Promise I'll never let you go
In the still of the night
In the still of the night

I remember
(I remember)
That night in May
(I remember)
The stars
(The stars)
(I remember)
Were bright above
(I remember)

I'll hope and I'll pray
(I remember)
To keep your precious love

So before the light
Hold me again
With all of your might
In the still of the night

So before the light
Hold me again with all of your might
In the still of the night
(In the still of the night)
In the still of the night

Yeah yeah yeah
Yeah yeah yeah
