In the still of the nite
I held you, held you tight
Oh I love, love you so
Promise I'll never let you go
In the still of the nite
(In the still of the nite)

I remember that night in bed
(I remember, I remember)
Well the stars were bright up above
(I remember, I remember)
I hope and I pray
(I remember, I remember)
To keep your precious love

So before the light
Hold me again
With all of your might
In the still of the nite
(In the still of the nite)

Shoo wap shoo wa
Shoo wap shoo wa
Shoo wap shoo wa

So before the light
Hold me again
With all of your might
In the still of the nite
(In the still of the nite)
In the still of the nite
