Each day through my window I watch her as she passes  
by

And I say to myself, you're such a lucky guy  
To have a girl like her is truly a dream come true  
Out of all the fellas in the world, she belongs to you

But it was just my imagination, running away with me  
It was just my imagination, running away with me

Soon we'll be married and raise a family  
In a cosy little home out in the country with two  
children, maybe three  
I tell you I, I can visualise it all  
This couldn't be a dream, for too real it all seems

But it was just my imagination, once again running  
away with me, yeah  
Tell you it was just my imagination running away with  
me

Every night on my knees I pray  
Dear Lord, hear my plea  
Don't ever let another take her love from me  
Or I will surely die, oh her love is heavenly  
When her arms enfold me I hear a tender rhapsody  
But in reality she doesn't really know me

Just my imagination, running away with me  
Just my imagination, running away with me  
Just my imagination, running away with me  
Just my imagination, running away with me

Oh it was, yes it was  
Running away with me, yeah  
Just my imagination, running away with me
