You're sweet as a honey bee
But like a honey bee stings
You've gone and left my heart in pain
All you left is our favorite song
The one that we danced to all night long
It used to bring sweet memories
Of a tender love that used to be

Now it's the same
old song
But with a different meaning
Since you been gone
Now It's the same old song
But with a different meaning
Since you been gone

Sentimental fool am I
to hear a old love song
And wanna cry
But the melody keeps haunting me
Reminding me how in love we used to be
Keep hearing the part that used to touch our hearts
Together forever darlin'
Breaking up never

It's the same old song
But with a different meaning
Since you been gone
Now It's the same old song
But with a different meaning
Since you been gone

Come on girl
Reach out for me
Reach out for me baby

Now if you feel like you can't go on
Because all of your hope is gone
And your life is filled with much confusion
Until happiness is just an illusion
And your world around is crumbling down
Well darlin'

Reach out come on girl reach out for me
Reach out for me
I'll be there with a love that will shelter you
I'll be there with a love that will see you through

When you feel lost and about to give up
Cause your life just ain't good enough
And your feel the world has grown cold
And your drifting out on your own
And you need somebodys hand to hold, darlin
Reach out
Reach out for me baby
Reach out

I'll be there to love and to comfort you
And I'll be there to cherish and care for you

And I'll be there to always see you through
And I'll, I'll be there for you baby to love and so, oh
