I know you've been going through some things  
The pain you hold inside's written on your face  
I know you've got tired of the rain  
Well, baby so am I but I know things can change

Well, you can die, you can sigh  
You can cry, to your midnight blue  
But that's not you, no, no  
'Cause I know you're stronger  
It's apparent to me so do you

If you just hold on  
I swear everything'll be okay  
I know you're nervous  
I know but baby, give it some time  
Things will go your way, my love

If you just hold on  
I swear everything'll be okay  
I know that you're nervous  
Baby, give it some time  
Things will go your way

I know it's been heavy on your mind  
Baby, give him up, he's not worth your time  
Where is it that says you need a guy  
Well, you don't need his love to justify your life

So, he can go, let him go, make him go  
You should want him to so can you  
I know that you're stronger  
It's getting clearer to me so do you

If you just hold on  
I swear everything'll be okay  
I know you're nervous  
I know but baby, give it some time  
Things will go your way, my love

If you just hold on  
I swear everything'll be okay  
I know that you're nervous

Baby, give it some time  
Things will go your way

So, don't let your defenses down  
I know that somehow you'll work it out, I know  
You should just believe in yourself, yourself

If you just hold on  
I swear everything'll be okay  
I know you're nervous  
I know but baby, give it some time  
Things will go your way, my love

If you just hold on  
I swear everything'll be okay  
I know that you're nervous  
Baby, give it some time  
Things will go your way

I know  
I know  
I know
