Let it snow  
Let it snow  
Let it snow

It's another Christmas holiday  
It's a joyous thing, let the Angels sing  
'Cause we're together

We got a thing, can't let it slip away  
Go outside, it's raining sleet  
When our bodies meet  
I don't care about the weather

Let it snow, let it snow, outside it's cold  
But the fire's blazin' so, baby, let it snow  
Let it snow, yeah  
Let it snow, let it snow

Come over here and help me trim the tree  
I wanna wrap you up, baby  
Then you'll see  
You're the only present I need

There's so much more  
Waiting for you in store  
From this precious day, I can gladly say  
There's no place that I'd rather be

I know, you've found my everything  
Come a little closer  
God must have sent you down from Heaven

Let it snow, let it snow  
Outside it's cold  
But the fire's blazin'  
So, baby, let it snow  
Let it snow  
Let it snow  
Let it snow

Let it snow  
Let it snow

Let it snow, baby  
Let it snow  
I don't care what the weather there

Let it snow  
Let it snow  
Let it snow

I don't care what the weather may be  
Only to introduce me  
As long as you're here with me, oh yeah  
I don't mind, I don't mind  
I don't care what the weather may be  
As long as you're here, with me
