Your eyes are telling me
On my knees is where I should be
On your lips I can read my name
Even though you ain't said a thing
I know I've been here before
A familiar place in fact I'm sure
I, you, something in between
That's haunting me

Instantly you're on top of me
So good to see you on top of me
This is where I'm supposed to be
All up into you
There's no place I would rather be
Livin' inside of your ebony
Lovin' you, make love to you
Love ya, oh my love, oh oh lovin' you

Got me open and I can't explain
How in our ecstasy there's no shame
Composure we had is gone
Lust in us we can't tame
We've been here before
This familiar place in fact I'm sure
It was a dusk, dawn, through the afternoon
I'm still in you

Instantly you're on top of me
So good to see you on top of me
This is where I'm supposed to be
All up into you
There's no place I would rather be
Livin' inside of your ebony
Lovin' you, make love to you
Love ya, oh my love, oh oh

Baby I just can't get enough
Even though you're mine
I want it all the time yeah
Make love to you, love ya
Lovin' you, oh oh my love oh oh
You, you, you

Lovin' you, make love to you
Love ya, oh my love, my love, lovin' you

Instantly you're on top of me
So good to see you on top of me
This is where I'm supposed to be
All up into you
There's no place I would rather be
Livin' inside of your ebony
Lovin' you, make love to you
Love ya, oh my love, oh oh

Instantly you're on top of me
Lovin' you, make love to you
Love ya, oh my love, oh oh, lovin' you

Instantly you're on top of me
So good to see you on top of me
This is where I'm supposed to be
All up into you
There's no place I would rather be
Livin' inside of your ebony
Lovin' you, make love to you
Love ya, oh my love, oh oh
