*[Chorus:]*

It could be another misunderstanding  
You should stop trippin and find out what is happenin  
Before you start pointing fingers do something for me  
Realize there is two sides to every story

*[Chorus]*

The cloud is closing down, been invited to a party at my  
homies house  
Got my crew and rolled out  
Called my girl on my celly before I hopped into my V  
No answer, oh well...baby must be sleepin  
Said she had a long day and didn't feel like clubbin  
Can't wait till I get home so she can give me some lovin  
So we bounced...headed out...rolled up to my homies  
spot  
Thought I saw somebody familiar in the parking lot  
Walked up to the door gave pounds and hugs  
Right back homies showin me love  
Distracted for a moment till I went inside  
Now I'm looking right in her eyes

*[Chorus]*

I was at the crib when I heard my cell phone  
Knew it was my girl cause I recognized the ring tone  
Says she's still at work and she'd be late comin home  
But I was too preoccupied cause the game was on  
Hung up the phone and it rang again  
It was my boy Hakeem who valets at Crustaceans  
Sent an email with picture attached  
With my girl and some dude that read...  
This is where your girl be at

*[Chorus]*

I can understand how you feel but don't overreact  
Until you know the deal...step back and peep the  
situation  
Don't be hasty baby for lack of being patient  
The truth will come out in time  
If you move too fast forward then you can't rewind  
So pimipin be easy stop catchin feelings

Two sides to every story  
Find out what the real is

*[Chorus]*

*[Repeat chorus]*
