[Nate:]

Since you've been gone I've been lonely
Longing to be with you only
Maybe there's still is a way I can find you and say
Just how I feel.

[Wanya:]

I can't believe that's it's over
Wish somehow I could have showed her
All that was inside of my heart 'stead of playing the
games
You might have stayed

[Shawn:]

Funny just the other night I was thinking
I wonder if you ever think about me
I call you on the phone, there's no answer

Oh Well, there's still tomorrow
Oh Well, I'll try again
Oh Well, maybe just maybe

[Nate:]

Since you've been gone I've been lonely
Longing to be with you only
If there's a way I could beg you to stay would you
please
Stay with me.

[Wanya:]

I was thinking maybe I could come over
Hoping we could finally work this out
Even if tonight we don't find an answer
Oh Well, there's still tomorrow
Oh Well, I'll try again
Oh Well, maybe just maybe

[Shawn:]

If I had another chance
We would stand hand in hand
You'll be my girl and I'll be your man
Oh Well, maybe just maybe we can.

[Nate:]

I still call you on the phone still no answer
Maybe later on I'll try one more time
Or am I just a fool to keep trying

Oh Well, there's still tomorrow
Oh Well, a fool's what I am
Oh Well, maybe just maybe

[Wanya:]

Oh Well, there's still tomorrow
Oh Well, I'll try again
Oh Well, maybe just maybe
See if I got down on my knees and gave you every little
part of me.

Oh Well, there's still tomorrow
Oh Well, I'll try again
Oh Well, maybe just maybe

[Shawn:]

Since you've been gone I've been lonely
