"One More Dance"

I was wrong beyond belief,
Even the blindest man could see
That the choices that I've made
Would be the end of you and me
So I sit here all alone
I've been a mess since you've been gone
Now I hate myself like no one else
I know that I'm at fault
Truth is there's really no excuse
For what I did or didn't do
So sorry, I hope that you can find it in your heart to
save

[Chorus:]

Save one more dance with me
One last second chance for me
Cause I don't want nobody cutting in
I swear I'll never break your heart again
Please don't let the music end
Could you just save me one more dance,
One more dance, dance, one more dance, dance

Maybe I was just afraid
Of how good my life can be
So I messed things up and hurt you girl
Before you could hurt me
I'm not saying I was right
I'm not so proud of what I did
Well I'm not gonna lie, or try to justify
Or try to make it all make sense
Truth is there's really no excuse
For all I did or didn't do
So sorry, I hope that you can find it in your heart to say

[Chorus:]

Save one more dance with me
One last second chance for me
Cause I don't want nobody cutting in
I swear I'll never break your heart again
Please don't let the music end

Would you just save me one more dance,
One more dance, dance, one more dance, dance

If there's a space in your heart, please find the room to
forgive

Let's try and make a new start, and begin

If you take the lead, I'll follow you

From this moment, I'll dance for you

Tell me I'm not dancing all alone, no

[Chorus:]

Save one more dance with me

One last second chance for me

Cause I don't want nobody cutting in

I swear I'll never break your heart again

Please don't let the music end

Could you just save me one more dance,

One more dance, dance, one more dance, dance.
