Hey baby I'm sorry
I never meant to hurt you
Please don't go
Slowly my eyes begin to see
That I need you near right with me at all times, yeah
My feelings are so deep for you
That I won't let go, oh no, of you
Bridge:
I can't let this love (Slip away)
And I can turn it around (You will see)
And don't leave baby
Chorus:
Please don't go away from me
(I'll be there for you)
When you call my name (call my name)
I'll reach out my hand to you
(And I welcome you) To my heart (into my heart)
Please don't go away from me
We can work it out
Whatever it may be girl
Please don't go (no, no, no, no, no, please don't go)
You know it's not often that we see each other
That's why I cherish every moment that we spend
together

When you're away temptation may come
But when I get caught up by you (3 times)
I let it go

Thinking about you each day
I feel (I love you and I'll never let go)
Your love makes my head spin round and round in a
daze, oh baby
Bridge

Chorus (twice)

Please don't go away
Don't go, don't go no
Don't go
Don't go
Don't go

Don't go
I'll be there, I'll be right there (repeats 8 times)
(Shawn: baby don't go no, i'll be right there, ooo i'll be
right there baby, ohhh..)
