I don't wanna waste your time
With some kind of playa line
But I need to know some things about you
One, do you have a man you claim?
Are you doing your own thing?
'Cause if so then I can't leave without your name
And your number
Where you live
Can I call you sometime?
Wait a minute
Then again, I'll give you mine
Tell me what your interests are?
Who you be with?
Your ideal man?
Can I be it?
Let me know
'Fore you go
'Cause I just won't take no

Baby, I wanna do
Whatever's on your mind
You'll make it all come true
If you roll wit' me tonight

Baby, I wanna do
Whatever's on your mind
You'll make it all come true
If you roll wit' me tonight

You make a brother wanna do
Things I never thought I'd do
Got me open and I'm hopin'
Baby, I, I can take you for a ride
Bentley's right outside
We can make it happen
If you just tell me your name and your number
Where you live
Can I call you sometime?
Wait a minute
Matter fact I'll give you my number if you
Tell me what your interests are?
Who you be with?

Your ideal man?
Can I be it?
Let me know
'Fore you go
I just won't take no

Baby, I wanna do
Whatever's on your mind
You'll make it all come true
If you roll wit' me tonight

Baby, I wanna do
Whatever's on your mind
You'll make it all come true
If you roll wit' me tonight

Baby, I wanna do
Whatever's on your mind
You'll make it all come true
If you roll wit' me tonight

Baby, I wanna do
Whatever's on your mind
You'll make it all come true
If you roll wit' me tonight

Ohh, I don't wanna stress you
All I wanna do is get next to you
Ohh, I wanna be the man
That makes you feel like no one else can
Ohh, I don't wanna stress you
All I wanna do is get next to you
Want you to give it all to me
I wanna be the one that sets you free
Ohh, get up, get up
Ohh, get up, get up
Ohh, get up, get up
Ohh

Tell me what your interests are?
Who you be with?
Your ideal man?
Can I be it?
Let me know
'Fore you go
'Cause I just won't take no

Baby, I wanna do
Whatever's on your mind
You'll make it all come true
If you roll wit' me tonight

Baby, I wanna do
Whatever's on your mind
You'll make it all come true
If you roll wit' me tonight
