You're sweet as a honey bee  
But like a honey bee stings  
You've gone and left my heart in pain  
All you left is our favorite song  
The one that we danced to all night long  
It used to bring sweet memories  
Of a tender love that used to be

Now it's the same  
old song  
But with a different meaning  
Since you been gone  
Now It's the same old song  
But with a different meaning  
Since you been gone

Sentimental fool am I  
to hear a old love song  
And wanna cry  
But the melody keeps haunting me  
Reminding me how in love we used to be  
Keep hearing the part that used to touch our hearts  
Together forever darlin'  
Breaking up never

It's the same old song  
But with a different meaning  
Since you been gone  
Now It's the same old song  
But with a different meaning  
Since you been gone

Come on girl  
Reach out for me  
Reach out for me baby

Now if you feel like you can't go on  
Because all of your hope is gone  
And your life is filled with much confusion  
Until happiness is just an illusion  
And your world around is crumbling down

Well darlin'  
Reach out come on girl reach out for me  
Reach out for me  
I'll be there with a love that will shelter you  
I'll be there with a love that will see you through

When you feel lost and about to give up  
Cause your life just ain't good enough  
And your feel the world has grown cold  
And your drifting out on your own  
And you need somebodys hand to hold, darlin  
Reach out  
Reach out for me baby  
Reach out

I'll be there to love and to comfort you  
And I'll be there to cherish and care for you

And I'll be there to always see you through  
And I'll, I'll be there for you baby to love and so, oh
