Nightfall, here we are, looking love histories  
Sexual, natural, the feeling that you give me  
We've been there before  
Now it's now, and I see no signs of a slowing down  
Girl you're so beautiful, I just wanna lay back

And watch you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me  
I feel you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me

God know where to go, it's just you and me and the  
radio  
And your arms cage, cold wine, and holding you as  
you're moving in a slow  
Grind  
Having you in my bed, fulfills every fantasy in my head  
As we make this memory, nothing better than for me to

Watch you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me  
I feel you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me

Baby slow it down, rock it back, and rewind it back  
Right now you're a part of me, I know you're a part of  
me  
Inside is where I have to be  
We can do it like it's supposed to be done  
And together we will become one  
Feel my love, love, is just for you

Watch you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me  
I feel you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me

Watch you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me  
I feel you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me
