"Star Spangled Banner"

Oh say can you see
By the dawns early light
What so proudly we hail
And the twilights last gleaming
Whose broad stripes and bright stars
Through the perilous fight
For the ram-parts we watched
Where so galantly streaming
My country tis of thee
Sweet land of liberty
Of thee I sing
Land where my fathers died
Land of the Pilgrim's pride
From every mountain side
Let freedom ring
And the rocket's red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there
Oh say does that star spangled banner yet wave
For the land of free
And the home of the brave!
