Uhhhh yeah
Say it once
Uhhh, mmmm
Yeah

when it's storming (when it's storming)
You're my sunshine
When my mind gets clouded (gets clouded)
You've been the light inside
When it's hard for me to breathe
You're the air I need
Sometimes I make you wanna leave
But you're always there for me

That's why I love (I)
That's why I love (said I love you baby baby)
I love (don't you know I love)
That's why I love you (and you know and you know)
That's why I love (don't you know you're so right baby)
A girl I love (Mmmm)
I wanna everyone to know (said I want the world to know)
That I love you (hey ey)
Date think it for now

When I'm crying
You're my handkerchief
It feels like I'm dying
You raise me up with just one kiss
Baby you're the star
When I'm lost
that guides my way
At time when I'm losing my mind
You make everything OK
That's why I, I love you
I love you
That's why I love (I love you so)
Ohhh, yes I do
I love
I really do
That's why I love
I love you, I love you, I love you eh

That's why I love
And girl I love you
That's why I love

I want everyone to know
That I love you
I love you, I love you, I love you

I love it when you come around
Cause you know just how to hold me down
Said you show enough time to hypnotize
You're so beautiful and ain't no doubt
I knew baby what would I do
I lose hold to my breath to explain to you
That I love you
That is why I
That's why I love (I love you baby)
That's why I love
I love
That's why I love you
That's why I love ah ah ah
And girl love you
I want everyone to know
That I love you
I love you, I love you, I love you
That's why I love
That's why I love
I love (I love you so much)
That's why I love you (Oh oh oh yes)
That's why I love
And girl I love (Huh)
I want everyone to know
That I love you (Oh I love you)
That's why I love
That's why I love (Hey)
I love
That's why I love you
That's why I love ah ah ah
And girl I love
I want everyone to know
That I love you
I love (I love you)
I love
Ha ha ha
That's why I love
And girl I love
I want everyone to know
That I love you
Hey
