Yeah, what can I do?
To make you feel secure
Remove all your doubts
So that you'll know for sure
That you're the apple of my eye, girl
Fulfillment of my dreams
Time will show the value
Of just what you mean to me

More precious than silver
More precious than diamond rings
Or anything that I could give you ?
It wouldn't mean a thing
If you didn't have my love
Beside you there to guide you through
Well ain't it good to know you do?

I know just how you feel
Well this time love's for real
In time it will reveal
That special love that's deep inside of us
Will all reveal in time

I tell you I love you
But, you don't believe it's true
More precious than silver
More precious than diamond rings
Or anything that I can give you?
It wouldn't mean a thing
If you didn't have my love
Beside you there to guide you through
But ain't it good to know you do?

I know just how you feel
But this time love's for real
In time it will reveal
This special love is deep inside of us
Will all reveal in time

I know just how you feel
This time love's for real
In time it will reveal

This special love is deep inside of us
Will all reveal in time

Or anything that I could give you?
It wouldn't mean a thing
If you didn't have my love
Beside you there to guide you through
Well ain't it good to know you do?

I know just how you feel
But this time love's for real
In time it will reveal
This special love is deep inside of us
Will all reveal in time

I know just how you feel
But this time love's for real
In time it will reveal
Oh that special love in us
Will all reveal in time

I know just how you feel
So let your little heart lay down upon me
In time it will reveal
This special love is deep inside of us
Will all reveal in time

Oh yeah
Will all reveal in time
Oh yeah
In time
