{Yo fellas
Yo, yo, wassup?
Yo man, won't we do something for the jeeps, you
know?
Yeah, like what though?
Like some harmony over the hip hop tracks?
Oh yeah, I'm with it, I'm with it
Let's check this out
Wait a minute, wait a minute
Now }

Come on girl
Come on girl
Come on girl
Come on girl

There's a girl I know who looks so fine, she really turns
me on
My friends said I should, but it's taken me too long
Every time I get the nerve to call, she is never home
I leave another message and I sit here all alone, she's
got me

Under pressure
And the feelin' she's givin' me
Under pressure
Why is it over so not my way?

So I got a chance to talk to her to see just where we
stand
If she felt the same about me, could I be her only man?
I tried to let it out, we could have some fun
But before I got an answer she said she had to run, it's
got me

Under pressure
And the feelin' she's givin' me
Under pressure
I don't wanna be alone

Under pressure
Girl you get me

Under pressure
Why are you so cruel?

Under pressure
Under pressure
Under pressure
Under pressure
Under pressure
Under pressure

The feeling she's giving me
You just pay attention to me baby
I need you, I want you
I still love you babe

Under pressure
Under pressure
Under pressure
