Boyz II Men & Michael Buble

Just to make you smile simply makes me smile
Cos today could mean forever

When I fall in love it will be forever
Or I'll never fall in love
In a restless world like this is
Love has ended before it's begun
And too many moonlight kisses
They seem to cool in the warmth of the sun, oh yeah

When I give my heart it will be completely
Or I'll never give my heart, yeah
And the moment I can feel that
You feel that way too
Is when I, when I fall in love with you

When I fall in love it will be forever
Or I'll never fall in love
In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sun

And the moment I can feel that
You feel the same way too
When I fall in love
Oh yeah, when I fall in love
Is when I fall in love with you, you, you, you, you
