My love
I'll never find the words, my love
To tell you how I feel, my love
Mere words could not explain

Precious love
You held my life within your hands
Created everything I am
You taught me how to live again

Only you cared when I needed a friend
Believed in me through thick and thin
This song is for you filled with gratitude and love

God bless you
You make me feel brand new
For God blessed me with you
You make me feel brand new
I sing this song 'cause you
Make me feel brand new

My love
Whenever I was insecure
You built me up and made me sure
You gave my pride back to me

Precious friend
With you I'll always have a friend
Someone who I can depend
To walk the path that sometimes bends

Without you life has no meaning or rhyme
Like notes to a song out of time
How can I repay you for having faith in me?

God bless you
You make me feel brand new
For God blessed me with you
You make me feel brand new
I sing this song 'cause you
You make me feel brand new
For God blessed me with you

You, you, oh yeah
