Don't be afraid, love has no age

Even from across the sea
(So far across the sea)
I can hear you calling me
(Baby, come to me)

Destiny controls the air
(No matter where you are)
Dream and dare to love again
(Your home is in my heart)

I know the way I feel bout you won't pass
Yes, it's going to last and stand the test of time
So your search for love is about to end
Your future hold, a place where true love begins
I'll be right there, even

Even from across the sea
(So far across the sea)
I can hear you calling me
(Baby, come to me)

Destiny controls the air
(No matter where you are)
Dream and dare to love again
(Your home is in my heart)

Take a romantic journey, just start in the beginning
You won't know where you're going 'til you're there
Is it just physical or is it lasting love
Please don't give up, we won't know unless we try

So far

Even from across the sea
(So far across the sea)
I can hear you calling me
(Baby, come to me)

Destiny controls the air
(No matter where you are)

Dream and dare to love again
(Your home is in my heart)

Oh Love that's what dreams are made of
Love is all you have, you need me, baby
Don't be afraid
(Don't be afraid, don't be afraid)
To love
(To love, to love)
To love

Even from across the sea
(So far across the sea)
I can hear you calling me
(I hear you calling me)

Destiny controls the air
(No matter where you are)
Dream and dare to love again
(Your home is in my)

So far away
(Far across the sea)
I can hear you calling me
(My Stella's calling me)
(Stella, Stella)

Destiny controls the air
(No matter where you are)
Dream and dare to love again
(Your home is in my heart)
Oh, oh, ooh

Stella, no matter where you are
No matter how far you go
Stella
I'll be there

Stella
And ever
Forever, baby

Stella
Forever, baby
And ever
Ohh

Stella
And ever
Ohh, ooh
And ever

You mean the world to me
I love you, baby
I love you so much baby
I love you

Baby, I love you
I love you, I love you
Baby, I love you
I love you

Now I realize you are my everything
Stella
My everything
Yeah, ohh
