I'm sorry  
Is all that you can say  
Years gone by and still  
Words don't come easily  
Like sorry like sorry like sorry

Forgive me  
Is all that you can say  
Years gone by and still  
Words don't come easily  
Like forgive me forgive me forgive me

But you can say baby  
Baby can I hold you tonight?  
Baby if I told you the right words  
Oooh at the right time  
You'll be mine

I love you  
Is all that you can say  
Years gone by and still  
Words don't come easily (words don't come easily)  
Like I love you, I love you

But you can say, baby  
Baby can I hold you tonight?  
Baby, if I told you the right words  
Oooh, at the right time  
You'll be mine

(Baby can I hold you)  
But you can say, baby  
Baby can I hold you tonight?  
Baby, if I told you the right words  
Oooh, at the right time  
You'll be mine

(Baby, if I hold you)  
(Baby, can I hold you)  
You'll be mine..  
(Baby if I told you)  
(Baby, can I hold you)

You'll be mine..  
(Baby if I told you)  
Baby, can I hold you
