Our love has changed
It's not the same
And the only way to say it
Is say it
It's better
I can't conceal
This way I feel
For all the times we've spent together
Forever
Just gets better

See what I'm trying to say is
You make things
Better
And no matter what the day is
With you here
It's better

I stand by you
If you stand by me
I think it's time that I reveal it
'Cause I believe it
It's better

See what I'm trying to say is
You make things
Better
And no matter what the day is
If you're here
It's better

Oh the more I talk to you
I fall in love with
Everything you do
O-oh

See what I'm trying to say is
You make things
Better
And no matter what the day is
With you here
It's better

Our love has changed
It's not the same
And the only way to say it is say it
It's better
