Written by Ronan Keating and Calum MacColl

Just one more dance  
When can we turn?  
I wanna believe so much  
That you're needing me.

We're near the time  
Our bodies combine  
This touch it feels so kind  
Could this really be

Woo oooo(4x)

Under the sheets  
So close to me  
Let's take it one more step  
You're all I need

Our lips caress  
My hands are all yours  
Our bodies then feel so warm  
You feel it too

Woo ooo

Chorus:

I wanna feel the world shake (woo ooo)  
I wanna feel the earth break (woo ooo)  
I wanna feel you every breath (woo ooo)  
I wanna hear your every scream (woo ooo)  
I wanna fill your every dream (woo ooo)

I wanna feel the world shake (woo ooo)  
I wanna feel the earth break (woo ooo)  
I wanna feel you every breath (woo ooo)  
I wanna hear your every scream (woo ooo)  
I wanna fill your every dream (woo ooo)

I wanna drink your wine  
With a taste so pure  
Your body's in love with mine

Now it's the time

Chorus:

Tonight is the night  
When I take your hand  
Tonight I lay you down  
All by yourself

Chorus:  
(2x)
