Why didn't I call, why didn't I fall  
Why didn't I hang my heart on your wall  
Why didn't I know, why didn't I show  
All my feelings from the word go

So if you love me, don't leave me  
I promise that you'll never lack  
'Cause this man's on his knees,  
Begging' please

Baby turn your back, yeah  
I'll give you what you want  
I'll do anything to make you mine  
If you give me what I want  
I will be yours to the end of time  
Girl you won't be sorry  
And you won't regret it

There's no need to worry, only if you let it  
Why didn't I say, the thing that I read  
Why didn't I see the signs in my head  
Why didn't I speak, to you last week  
When I saw you walking down my street

So if you love me, don't leave me  
Alone here to die on this track  
Girl rescue me, let's get this train  
And we'll never look back

Chorus

Girl you won't be sorry  
And you won't regret it  
There's no need to worry, only if you let it

Oh, wow I can't let go  
Oh, wow, I swear I'll take it slow

Chorus (repeat)
