Written by Ronan Keating and Calum McColl

People never break your heart
Fall into and split apart... in heaven
A kiss will last as long as time
I'd be yours and you'd be mine.... in heaven

Chorus....

But people change
The places you don't know
They'll rearrange the whole of your rainbow
It's not so strange
We live and we let go.... in heaven...in heaven

Where's the light
And stars will form
World will turn, and we will fall together
Everything's a twist of fate
Nothing stays the same.... forever

Chorusâ€¦.

But people change
The faces you don't know
They'll rearrange the end of your rainbow
It's not so strange
You live and you let go.....for ever

Flesh and blood

We're all the same
Forever playing at the wishing game

It always shines, it always rains.....in heaven.....in
heaven

But people change
The spaces you don't know
They'll rearrange the start of your rainbow
It's not so strange
We live and we let go.....in heaven.....in heaven.....

In heaven.....in my heaven
