I know you rise in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again

And you come to me on a summer breeze
Keep me warm with your love, then you softly leave
And it's me you need to show
How deep is your love

How deep is your love, how deep is your love
I really need to learn
Cos we're living in a world of fools, breaking us down
When they all should let us be
We belong to you and me

I believe in you
You know the door to a better soul
You're the light in my deepest, darkest hour
You're my saviour when I fall

And you may not think I care for you
When you know down inside that I really do
And it's me you need to show
How deep is your love

How deep is your love, how deep is your love
I really need to learn
Cos we're living in a world of fools, breaking us down
When they all should let us be
We belong to you and me

Girl, you come to me on a summer breeze
Kept me warm with your love, then you softly leave
And it's me you need to show
How deep is your love

How deep is your love, how deep is your love
I really need to learn
Cos we're living in a world of fools, breaking us down
When they all should let us be
We belong to you and me

I believe in you, oh
How deep is your love
Can you believe in me, babe
How deep is your love
