Now Iâ€™m sitting here alone
Trying to get you on the phone
But youâ€™re so far away from my heart
Memories are on my mind
Girl, I need you by my side
But youâ€™re so far away from my home

I would never go and break your heart
Your smile is like a shining star
Girl, I wanna get close to you

I canâ€™t live without your love
When Iâ€™m down, you make me high
Iâ€™m trying to get strong, Iâ€™ve waited so long
To hold you in my arms
Canâ€™t you see that I love you tonight

Girl, Iâ€™m still in love with you
And I donâ€™t know what to do
When I think of you I feel the pain
Every day Iâ€™m waiting for
A loving kiss from you, nothing more
I want here to stay in my life

I would never go and break your heart
Your smile is like a shining star
Girl, I wanna get close to you

I canâ€™t live without your love
When Iâ€™m down, you make me high
Iâ€™m trying to get strong, Iâ€™ve waited so long
To hold you in my arms
Canâ€™t you see that I love you

I canâ€™t live without your love
When Iâ€™m down, you make me high
Iâ€™m trying to get strong, Iâ€™ve waited so long
To hold you in my arms
Canâ€™t you see that I love you

Every day Iâ€™m waiting for
A loving kiss and nothing more

My love is true and all I want is you

I can't live without your love
When I'm down, you make me high
I'm trying to get strong, I've waited so long
To hold you in my arms
Can't you see that I love you tonight
